Restrictions	B3	Extract from title:	Part 1: 5.6.1: The title to the property must be good and marketable free of any restrictions, covenants, easements, charges or encumbrances which, at the time of completion, might reasonably be expected to materially adversely affect the value of the property or its future marketability (but excluding any matters covered by indemnity insurance) and which may be accepted by us for mortgage purposes. Our requirements in respect of indemnity insurance are set out in section 9. If, based on your professional judgment, you are able to provide an unqualified certificate of title, we will not require indemnity insurance. You must also take reasonable steps to ensure that, on completion, the property will be vested in the borrower.
